Minutes of the Dewan on the leave application of Sri K.M. Narasimhaiya, Education Secretary to Government (Diary No. 5967/C.B.)

"I have noted on a similar application that it is desirable that Secretaries who apply for leave may append their full signature instead of initialling the application. I have not come across an application initialled by an applicant elsewhere in my experience. This may be the practice in Mysore. The practical difficulty is that it is not always possible to decipher a signature. I take it that it is the Education Secretary as it has first gone to Hon. Min (Edn.). The leave may be granted."
